Hello

On behalf of all our personnel, I would like to introduce you to Inspecta International Group and encourage you to review our brochure & website, to gain a better understanding of our activities and capabilities.

As a leading provider of Asset Integrity Management Services (AIMS), we pride ourselves as a "one-stop-shop", offering a full range of AIMS services including, RBI, FFS, Advanced NDT, Quality Assurance, Plant Integrity Assessment, Rope Access and Subsea Inspections.

The Asset Integrity Management Services - AIMS, has become today an Integrated Part of the Health control and measures of safe for all Operating Assets involved with all Petroleum, Power Generation, Fertilizers, ships, Railways and Aircrafts Industries.

As Hospital offerings Full Medication Care to the Human Health, AIMS become today have encompassed a number of very specialized Inspection technologies which are able to be introduced into each part of the operating Asset and Revealing the detailed defects and measure The failure extent in material before it become catastrophic Failures and cause a drastic impact to Environment, Economy and Human Life.

Since our inception 25 years ago, we have invested heavily in both manpower and technology and as result, are able to offer our clients an unrivaled service, which both professional and safe.

Over the years, we have worked hard to create and implement effective management systems and are proud to hold ISO 9001:2008 AND ISO/IEC 17020, IRATA & IMCA Accreditations.

I would like to thank you for taking the time to learn more about our company and look forward to future collaborations.

Best Wishes

Mahmoud AL Shehry

*BSc. Met. Engg. (1977), ASNT Level III (1989)
Founder & CEO*

OUR STORY SO FAR...

Established by Mahmoud Al Shehri in 1991, Inspecta International began life as a Consultancy business in the USA, Specializing in non-destructive Testing, welding & quality control.

In 1994, Head Office was relocated to the UAE to serve the Oil, Gas, Petrochemical, power and manufacturing industries of the GCC, where we have developed into a leading provider of Asset Integrity Management Services across the region.

As a result of consistent growth over the last decade, we have been able to expand our operations, and now having our operations offices & offer services in UAE, Saudi Arabia, Qatar, Oman, Iraq, Yemen, Egypt, Sudan, Uganda, Australia, Malaysia & Algeria.
